

Meldreth Neighbourhood Plan: Your Village, Our Future'''

Have you an interest in any of these ...

Development	Travel	Village Amenities/Societies	Parish Owned Facilities	Parish Resources
The use of ex-agricultural buildings	Travel - walking & footways, roads and commuting, cycling, disabled facilities	Community Centre	Recreation Ground & Pavilion	Levels of the Precept
Residential Development	Parking	Village Hall	Burial ground	Solar funds
Housing needs survey	Travel for Employment	Melwood	Flambards - Public Spaces	S106 - historical data
Affordable, social housing	Railway Bridge – improving the footways	Guides	Other Facilities/Sports	Parish Responsibilities
Preferred Local Developments	London platform – access	History Group	Croquet	Regular costs - lighting, grass, maintenance, salaries
Local Business	Cam Valley Community Rail Partnership	Meldreth Matters	Bowls	Church wall
A view of new developments		MAYD	Football	Maintenance
		etc ...	etc ...	

... and many other aspects of life in Meldreth you may wish to add.

All of these have been, or we think may be, the subject of financial support from the Parish Council or benefitted from decisions made by the Parish Council.

To help prioritise and manage our future budgets we need to collect ideas & proposals from representatives and advocates within our community which will form our Neighbourhood Plan for 2025-2045.

How Can You Help?

Between now and the summer we need individuals to participate in and lead the groups to identify options. Over the next 6 months this will require *your time* for a few meetings, some research and the development of a mini-report of a few pages ready for the next phase. Participation is open to, and welcome from, anyone with an interest in our village and its future.

As a council we always assess and balance funding for projects directed at education age residents, employment age residents and those post working age. We hope to collect ideas, contributions and volunteers from all of these age groups.

The plan is not concerned solely with housing development but with all aspects of development and its impact on village life. ***If there are no only volunteers to develop the Neighbourhood Plan in addition to Parish Council members, then the plan cannot go ahead, there will be no local voice or funds to get what we might want.***

1. ***We will be holding an introductory meeting at 7pm on January 15th 2026 at the Elin Way community centre.***
2. There is a website at <https://meldrethplan.org.uk> which contains this and other relevant material
3. Contact Roger James on 07808235873 or by email: roger@rogerjames.net
